God's People Are Kind and Compassionate

Christians are instructed to "wear" certain things.

Arrange the letter groups on each outfit to make a word which describes something in which Christians should be clothed.

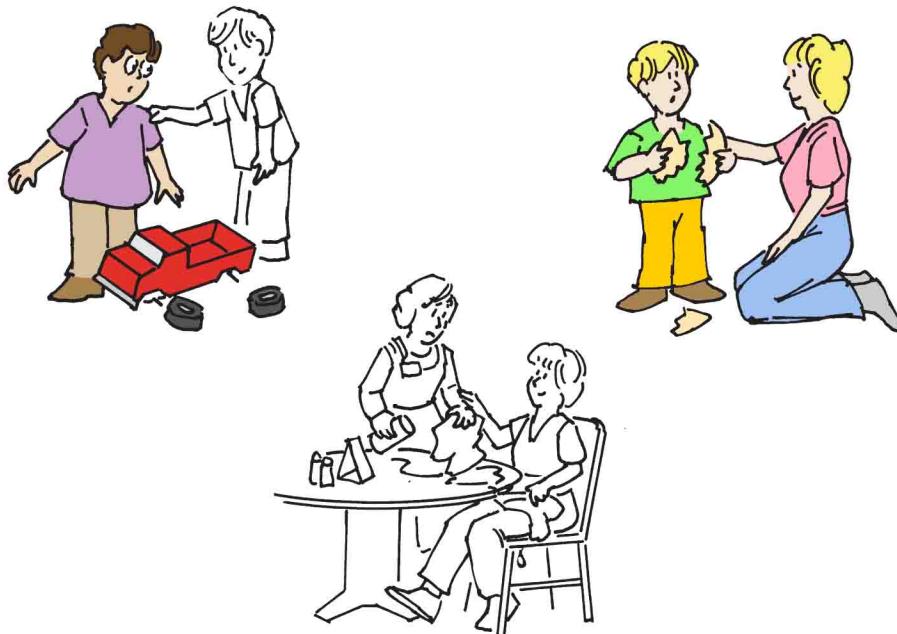

We should show others the same
forgiveness God showed us.

Supply the 4th letter in each column to make a word.
Read the letters across to find Paul's instruction in Colossians 3:13b.

We should seek to glorify Jesus
in absolutely everything we do.

Starting with W, count backward (-) or forward (+) in
the alphabet to find the next letter.
