Reflecting on God's Word

Getting Started

- Take some time to read over Acts 2:37-41 and pray.
- Have you ever read or heard about this before? What stood out to you as we were talking about it?
- What surprised you as we talked about it?
- As you reflect on this sermon series, what questions come to mind?
- As you think about the instruction that Peter gave, what do you think was going through the minds of the people listening?
- As we talked about the different stages and steps of a christian's faith, were there any that surprised you? Have you ever thought about this concept before?

Diving In

1. Spend some time thinking and praying over your own faith journey. Where are you in the faith? What step(s) do you need to take?
2. Think about a few people who God has placed in your life. Where are they in their faith, and how can you help them to take the next step(s) in their faith?
3. Was there ever a time in your life where you got hung up on any of these stages? What stage? What caused you to get hung up on that stage? What caused you to be able to move on?

Applying the Scripture

What are your biggest takeaways from this passage of God's Word?

- What practical step(s) do you need to implement in your life to apply what God has taught you in this passage of Scripture?
- How would applying this affect your life and your relationship with the Lord?
- Who can you ask to keep you accountable to applying this to your life?
